

A classical painting depicting the birth of Venus. The goddess of love and beauty, Venus, is shown reclining on a large, undulating wave. She is nude, with her long, dark hair flowing behind her. Four winged Cupids (cherubs) are surrounding her: one to the left holding a green and white shell, one above her holding a bow and arrow, one to the right, and another behind her. The background consists of a light blue sky with wispy clouds.
